

# OUTDOOR FURNITURE Buyer's Guide

Outdoor activities help library patrons, from little learners to longtime book-lovers, explore and see things in a new light. Whether partnering with parks and clubs for special events or inspiring musicians with a dose of fresh air, Tenjam and Percussion Play have you covered. Let's dive in.

## Tenjam Session Outdoor Furniture

Modular furniture really shines in outdoor environments, where flexibility is key. Built to withstand harsh weather, award-winning Tenjam products feature fun, contemporary pieces that breathe life and inspiration into library spaces.

- **Moon Chairs**

Lounge in style with the durable, weather-resistant Moon Chair. A retro-futuristic look makes a bold statement in any open-air space. Weight capacity 750 lbs.

- **Benches: Dash, Swerve**

Modular Dash and Swerve benches work together to elevate outdoor arrangements by providing a fun place to read, relax, or learn. Weight capacity 1,000 lbs.

- **Circle, Cube, & Crescent Stools**

It's a seat. It's a table. It's both. Tenjam's Circle, Cube, and Crescent Stools are specially designed to ensure liquids run off the top, keeping the seat surface dry. Weight capacity 750 lbs.

- **Drift Stools**

Whether your space needs something calm and quiet or energetic and fun, the Drift Stool stands out. Constructed with safety in mind, the design features no sharp corners or edges. Weight capacity 250 lbs.

- **Twisted Hex Stools**

Time to get comfy. These lightweight stools feature a waterproof, cushioned top. And the convenience doesn't stop there. Dual carrying handles make moving this stackable seating a breeze. Weight capacity 350 lbs.

No area is too small to benefit from outdoor furniture. Seating and tables help you build special gathering areas, collaboration zones, and engaging spaces with flexible, modular pieces. Tenjam's Dash and Swerve benches can turn a drab and forgotten outdoor alcove into a welcoming, colorful extravaganza that invites participation, boosting engagement.

- **Amped Chairs**

Build enthusiasm with a chair whose backrest design is inspired by the image of a wave's amplitude. You've never seen another chair like it. Design by Julien Bergignat, France. Weight capacity 750 lbs.

- **Amped Seat & Side Table**

Pair this piece's flowing curves with the Amped Chair to maximize multifunctional options in a small space. Why choose between a seat and a table when you can have both? Weight capacity 750 lbs..

- **Mibster Chairs**

This captivating design is all about curves. A drain hole in the lowest point of the seat pan allows water to drain, keeping the seat dry. The Mibster Chair's one-piece construction means no sharp edges, keeping users safe. Weight capacity 500 lbs.

- **Session Outdoor/Indoor Tables**

Looking for something bold? Rugged, all-weather tabletops make these Session Tables a perfect way to complement Tenjam seating. Stick with glides, or make them mobile with optional casters.

## Percussion Play Outdoor Musical Instruments

Create beautiful, effortless outdoor soundscapes—no musical knowledge required. This range of inclusive, ADA-accessible outdoor instruments invites users to harmonize with the world around them. Percussion Play is the industry leader of outdoor musical instruments.

Celebrate nature with a song. Percussion Play Outdoor Musical Instruments are designed for all skill levels. Adding a melody to the great outdoors livens up sleepy spaces. Strike a Sunflower Petal Drum or let the standing chimes ring out as users make music while breathing in the fresh air.

- **Street Quartet Ensemble**

No mallets? No problem. All instruments in the Street Quartet Ensemble are designed to be played with your hands. Vandal-resistant; made of robust materials. Set includes: Large Babel Drum, Handpipes, Emperor Chimes, and Cajon.

- **Inspired by Nature Ensemble**

Create a magical harmony with these floral and woodland-themed instruments. Inspire creativity and joy with the included Sunflower Petal Drum, Harmony Bells—Minor Bunch, and Liberty Bells.

- **Rainbow Trio Ensemble**

Boasting a compact design with full-sized fun, the Rainbow Trio Ensemble provides the perfect musical introduction for toddlers and other musical novices. The included Rainbow Metallophone, Rainbow Chimes, and Rainbow Bongos encourage users to make a joyful noise.

- **Quintet Ensemble**

Throw an impromptu outdoor concert with these five melodious instruments. Set includes: Cherub Chimes, Sansa Rimba Xylophone, Akadinda (inspired by the traditional xylophone), Seven Tubular Bells, and Rainbow Sambas. Pentatonic tuning ensures all sounds naturally blend together.

- **Trio Ensemble**

This feast for the eyes and ears invites up to eight players to create something wonderful. Celebrate collaborative music-making with the included Seven Tall Tubular Bells, Large Babel Drum, and Rainbow Sambas.

- **Alto Quartet Ensemble**

Designed for heavy, long-term use, the Alto Quartet Ensemble features a Duo xylophone (featuring aluminum and glass reinforced-plastic notes), three Emperor Chimes, Alto Diatonic Freechimes, and the Congas Trio.

- **Septet Ensemble**

Representing the largest, most diverse arrangement available from Percussion Play, the Septet Ensemble is suited for amateur and accomplished musicians. A mix of pentatonic and diatonic instruments creates a pleasing, versatile sound. Set includes: Cajon Drum Circle, Papilio Bells, Colossus Chimes, Large Babel Drum, Small Babel Drum, Bell Lyre, and Handpipes.

- **Hexad Ensemble**

Let the stainless-steel sound ring out. These six outdoor instruments, constructed mostly of stainless steel, are easily accessible to all. Set includes: Tubular Bells, Bell Lyre, Large Babel Drum, Small Babel Drum, Handpipes, and Harmony (a T-Rung outdoor xylophone).

- **Soprano Quartet Ensemble**

See why the Soprano Quartet Ensemble is Percussion Play's most popular pick. Designed to make the most of the smallest available space, this instrument set delivers a powerful, harmonious sound. Set includes: Cadenza (a curved xylophone), Small Babel Drum, and Soprano Pentatonic Freechimes.
